NEW PRODUCTS

Voxred Intl. Turbo Charge.

Available now for \$24.99 SRP. This small device charges mobile phones using a single AA batter. Inside is a "Dual AlgorChip," a proprietary technology, that regulates the flow of energy to a mobile phone battery and claims to protect against overload. The company also claims that the device can provide up to two hours of talk time or 40 hours of standby time. Adapters for most phones are provided.
